ABOUT US

About Us

MECOLOUR is a leading enterprise in China's sublimation blanks consumables industry integrating production, R&D and sales. The company was founded in 2008. Since its establishment, we have always adhered to the corporate philosophy of "high quality, excellent service, and high efficiency" to serve customers. Therefore, we can provide customers with high-quality and efficient work even before, during and after the sale. In 2015, the company set up a sales center in Brazil to serve Latin American customers; In 2020, we set up a sales center in the United States to provide a more convenient service experience for local customers. For more than ten years, with its good reputation, high-quality products and excellent service, we have won recognized by new and old overseas customers, the products are sold to more than 200 countries around the world. And we have established long-term close cooperative relations with agents in many countries.
